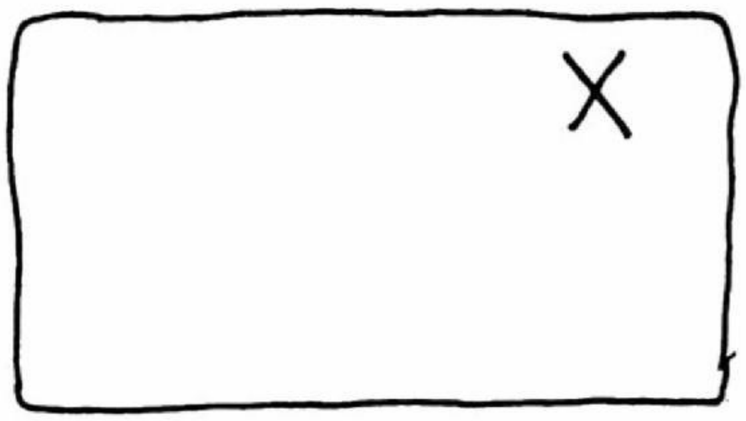
PARING THE COMPLIMENTARY LIST

to the



if your mailing label seems to have an "X" on it, this may be the last GKG you will receive.

There are three (3) options :

1) do nothing and your MUST READ pile will shrink

2) become a subscriber : send $10 to the Ivory Tower publisher in Manchester MA

3) drop him a line favoring continuance which makes scrounging for ten more damn dollars unbearable...

GKG understands #3 all too well. It's our problem time 68 which has caused this crisis.....

Pared to the bone the List will continue for those who can show distance bewteen themselves and Double-time Charlie's refrain: how can you believe me when I tell you that I love you when you know I've been a liar all my life? ? ?

The PRESIDENCY

Since the 1963 Coup d'Etat, THE Conspiracy, CABAL, Secret Team, M-IC, P W M, anything you prefer that spells, NSC, CIA, NRO, NSA, FBI, MEDIA, has successfully maintained W H C, White House Control by mothering the decision-making process inside the Oval Office.

Presidential campaigns of yesteryear are recalled with nostalgia as hopefuls drop like flies during the primaries vowing to carry their fights to the convention floor. Small wonder more than half the electorate avoided the polls this time around.

The Republican record 6 - 3, Ignorance Plus, already shows a leaning toward 6 - 4 for voting in '00. PWM's simultaneous, both-oceans' two-coasts' defense is seen as great kindergarden fun. Out of the sand-box it's for laughs and tee many martoonis all around.

PRESIDENTIAL ELECTIONS, Republican-style (GKG IX/91)

'52, '56 & '60 : the Eisenhower/Khruschev Peace initiative falters in Paris (DDE)* but continues under Kennedy.

'64: Republican arrogance in '63, JFK, boomerangs at the polls but its warmongering prevails and flourishes.

'68: Republican insistence forces (LBJ)* out of office and murders two threats to White House Control : MLK and RFK.

'72: Republican CREEP removes another threat (EMK)* by murdering MJK 29 months before election..and 14 months later botches the Wallace shooting ... in '74 Watergate impeaches (RMN)*

'76: Republicans stage two fake attempts to give Ford "color".

'80: Republicans bribe the Iranians and steal the election... no October surprise plus the Reagan attempt add to (RWR)* ... a puppet's life is not a happy one.

'84: Republican landslide ensured by the sacrifice of 269 persons on KA 007, the murder of Prime Minister Bishop, MB, plus five of his cabinet and the invasion of Grenada, 14 and 12 months before election.

'88: Republicans make certain the opponent (MJD)* is Status Quo.

'92: Republicans riding high on Panama and standing tall on Iraq have 14 months to augment the bloody style to which their man has become all too accustomed.

Changing horses in mid-stream, VIII/92, W H C showed its true Janus colors.

'96: W H C backs its choice 92 with laughing at FlatTax and eliminating any real threat to its democratic dictatorship.

You do not have to listen to political "science" gurus to know it is the Presidency, the Office that has been all but scuttled. ▼

Figure 1 : CROSSFIRE 63

Repeating the Dealey Plaza ambush's firing sequence as a year-end statement emphasizes GKG's reconstruction of THE Conspiracy's thirty-three-year-old obscenity.... a first-rate coup d'etat.

Global warmongering dictated this misconduct ostensibly to keep the Chinese Communists in China. It changed DDE/JFK foreign policy of making frineds with the enemy into CIA/NSC/FBI/DOD/DOS/M-IC/P W M foreign policy assuring the enemy he was no friend.

Gross viewing of Crossfire 63 shows four hit-squads eaxh firing two rounds. Right to left: one in the Dal-Tex Bldg, one at each end of TSBD's sixth floor and one behind the stockade fence.

From under a black umbrella on the grassy knoll, the fifth squad's poisoned flêchette-launch inflicts the Throat Wound of Entry.

The dotted lines are the JFK/JBC wounding shots' flightpaths. The dashed lines are the one unintentional and four intentional misses. THE Conspiracy's design assured its planted evidence would be seen and excape-time for its upper-storey hit squads was bought with noisy diversion behind the stockade fence.

A few minutes' study of Crossfire 63 should convince even Lone Assassin Buffoons that this is what triggered the terrible mistake to which the President's Secretary of Defense and National Security Adviser have both admitted.

Emboldened by this brave lead, a visit to TCM's exhibits will place the visitor at the head of the parade to Correct The Textbooks.

Figure 2 : 1st Floor T C M

Entering off Market Street, the visitor decides Ticket first, T-shirt later. Correct the Textbooks, T C M's credo, leaves no doubt about the exhibits' raison d'etre.

Through the "gate" into the elevator lobby-space, on the right is Crossfire 63 *, the JFK assassination's firing sequence as it happened thirty and more years ago. The flipside of this coin, THE Conspiracy's Warren Report * and HSCA * read as Ignorance.

With no responsible critique and yielding only to money-grubbers, the removal of two photographs is the only change in T C M's JFK exhibit in two years. Beyond JFK, the floor display cases, dotted for location-flexibility, create a counter-clockwise visitor track. Actually they don't.

Four of Coup d'Etat's consequences, MLK, RFK, MJK, EXPLO 007, four bright-lighted ducks in a row, pull the visitor left... right past THE Conspiracy Tree *.

History, spelled out on the reader-boards below the four murder-solution charts *, chronicles THE Conspiracy's Coverup, the war-mongers' handle on the Oval Office. This simple truth is the high-ground from which the textbook variations of the Warren Report / HSCA Lone Assassin Fairy Tale can be corrected.

Relocation of the Penn Jones jr Theater to the end of the floor effectively muddies the sound of continuous film display. Booth and Oswald are two murals ** charting the escape routes of the 1865 assassin and the 1963 Patsy.

The First 100 Years, the theater's original space, places the Jackson and TR attempts, the Garfield, McKinley, Cermak and Lincoln murders and the Four Lone Assassins in their own historical mode, totally different from THE Conspiracy's ongoing elitism.

Patsies, Victims and Ghouls, a '97 mural in the CEO's mind's-eye, will be relief from the nit-picking proof required of murder.

The 'New' Evidence case, titled for this plan only, is for items which occasionally drift T C M 's way..memorabilia a collector might want to display. Cesar's gun, the one that killed RFK, would be welcome in this space. The cost has been the prime deterrent.

On the way back out to visit the JFK Memorial cenotaph across Market Street, you can finesse both THE Conspiracy Tree and the Shop. You're something else if you do.

TERRORISM USA

This buzzword has been around more than a while. Living in the US we do not realize how common it was in those parts of the world where people were liberated from duly-elected governments and re-aligned ~~uber~~ under CIA democracy.

At home where the government was re-stabilized every four years by force, and bribery is force, it was not perceived as terrorism. Particularly when the Soviet Union was branded worldwide as the Evil Empire, the Seat of International Terrorism. (1983)

Very few understood THE Conspiracy's necessity of maintaining the "loveable government" image. Even fewer knew the USSR terrorists were victims of a terrorist plot worthy of Machiavelli's (or if you prefer) Raputin's wildest nightmares.

During this next year some unsuspecting writer-reporter may stumble on T C M's EXPLO 007 and suddenly realize what is staring him in the face. Coverup of JFK's assassination is transparency itself alongside the Korean Airliner Incident blackout of the sacrifice of 269 innocent souls on the altar of anti-communism.

With no USSR enemy, PWM has used terrorism as a wand with which to wield and increase police-state power. Until born-again investigative reporters unearth the real UnaBomber, John Doe 2, the Olympic Park Bomber and the TWAFlight 800 bomb, Terrorism will be a foreign agent using US odd-ball, lone assassins to do the dirty work.
